Bilingual Staffing Agency in Japan

Akira consulting is a recruitment firm specialising in the search and recruitment of Bilingual talent across Japan. Bilingual staffing means rapid access to specific talent with language skills that suit the organisation's job role. Being the premier staffing agency in Japan, we adhere to the search for deserving candidates across Asia who know Japanese and English and are proficient in their skills.

We work for the betterment of both candidates and our clients with a holistic approach.

FOR CANDIDATES

With deep knowledge of the Japanese marketplace, we work in coordination to understand your industry and unique business strategies to find perfect candidates who match your unique staffing requirements. In short, we will help you find the right career in Japan.

Review education qualification and experience

We first focus on understanding your career experience to get you the best job.

Understanding expectations

After knowing your experience, we focus on understanding your future goals so that we can ensure the right fit for your bright future.

Vetting

We screen your bilingualism, culture fit, and experience to pair you with the suitable employment in Japan

Introduction to employers

Now, we will begin with your representation to the hiring company. We present you with roles that match your experience and future objectives.

FOR CLIENTS

Understanding your organization's goals

We strive to understand the company's mission.

Discuss roles and culture of the company

We try to understand your roles well to search for

Commence the search

With our strategic recruitment approach, we

values, and long-term goals for tailored recruitment procedures

curated talent which fits well with your respective positions in the company.

leverage our pre-screened database of bilingual talent, job posting, and hiring advisors to deliver the quickest and most excellent results.

Present candidate

After devoting our time to understanding the candidate and satisfying that individual profile for a particular role, we deliver a matched candidate to the organization.

Interview

We streamline the scheduling process for the interview, ensuring hiring the candidate is a seamless process.

Make the offer

Desiring benefits of both candidate and employer, we make sure both are happy with the final offer. Therefore we take all necessary steps to meet both requirements and expectations well.
